-timeline of events (dated 1/15/13)

-some background history of the shooter and information pertaining to the weapons owned by the family and carried on his person or in his vehicle that day

-information received from the surviving victims and teachers regarding what they recalled from the classrooms that day

-family support form

04

-office of victim services benefits letter (dated 1/15/13)

-family related services packet (dated 1/14/13)

-I.R.S. SSN Protection Memo

04 indicated that they did not believe that they would like to have Lauren's clothing returned to them, and stated that they had given her jacket to her best friend after it was returned to them.

04 indicated that at this time they did not wish to schedule a walk-through of the school.

consented to allowing other decedent and victim family members to know where Lauren was inside the classroom.

The status of the case remains actively under investigation.
