SUPPLEMENTAL REPORT: STAFF MEMBER ACCOUNTABILITY

ACTION TAKEN:

On December 14th, 2012, I was assigned by Sgt. Davison to identify all staff members who were present during the Sandy Hook shooting. Within the Fire Department (Command Post), a staff member had provided a sheet for all staff members to sign, which I obtained a copy of. I also obtained a copy of the school's daily log, which all teachers/some staff are to initial when they arrive for work. However, the log is not completely accurate as some people initial and some do not. With the assistance of Det. Roy and a teacher present, we cross referenced the sign in sheet, daily log and statements obtained by Detectives to identify all staff members present. To date all staff members within the school at the time of the incident are accounted for and statements have been obtained (See attached sign-in and daily log).

Throughout the course of the investigation I learned of another possible employee at the school named [REDACTED] 04. On December 14th, 2012, I contacted [REDACTED] 04 by phone and she stated that she was scheduled to be in work at 11am, so was not present during the incident.

I learned of another possible employee at the school named [REDACTED] 04. On December 14th, 2012, I contacted [REDACTED] 04 by phone and she stated that she was working at another school on this day.

Also included with this report is a copy of the Visitor's Sign In/Out Sheet and a copy of children that were either not in school the day of the incident or reported to school late. These copies were utilized by Connecticut State Police members for their assignments (See attached).
