**INCIDENT DETAILS**

On 12/21/2012 at approximately 1218 hours, I was requested to assist Newtown PD/CSP with processing a vehicle that was involved in the Sandy Hook Elementary School shooting that occurred on 12/14/2012, CSP case # 12-00704559. I contacted Sgt. Josh Pattberg of CSP Major Crimes and was advised that a Newtown Police Dept. vehicle, that was used to transport juvenile victims of this incident to Danbury Hospital, needed to be photographed. I was also requested to check the vehicle where the victims were transported for anything of evidentiary value, such as bullets or fragments. This vehicle, described as a 2004 Ford Explorer bearing CT reg 114 RNB, was driven to Danbury Police HQ from Newtown Police Dept. by Capt Bill Darby of Manchester PD. I met with Capt. Darby on the upper deck at the main entrance of HQ where I photographed the entire interior and exterior of the vehicle. I was advised by

## INCIDENT REPORT NARRATIVE SUPPLEMENT

INCIDENT DATE 12/21/12, Fri	TIME 12:18	CODE	TYPE OF INCIDENT Assist Other Agency CSP	INVESTIGATING OFFICER Sgt. Adam Marcus 540	REPORT TYPE Initial	INCIDENT # 12-11112
DATE OF REPORT 12/21/2012	LOCATION OF	STREET NO 375	STREET NAME Main St	APT NO / LOCATION		

Capt. Darby that the juvenile victims were transported in the rear cargo area of this vehicle. I checked the rear cargo area and I observed a dried red colored substance, consistent with blood, in the hinge area of the storage compartment of the cargo floor. This substance was photographed, with and without scale. All photos were taken with the department's Canon 30D digital camera. I searched the rear cargo area of this vehicle and did not locate anything else of evidentiary value. It should be noted that this vehicle was being used for business purposes by Newtown PD since this incident occurred and may have been wiped down prior to this process. The digital images were secured on the crime scene electronic evidence server. A CD with these photographs was burned and provided to Capt. Darby to be transported to Sgt. Pattberg. The vehicle was then released back to Capt. Darby. Prior to the vehicle leaving HQ, I was contacted by Mike Katzmark of the Department of Environmental Protection who requested that it be transported to the staging area near the Sandy Hook Elementary School for decontamination. This information was relayed to Capt. Darby prior to his securing from DPD HQ. No other action taken in this case at this time.
