SUPPLEMENTAL REPORT: SEARCH AND SEIZURE WARRANT (Blizzard Entertainment, Inc.)

\_\_\_\_\_\_

ACTION TAKEN: On Tuesday August 27th, 2013, this Detective prepared an Affidavit and Application / Search and Seizure Warrant (JD-CR-61) requesting all information associated with the accounts and/or individuals: "Peter Lanza and/or Nancy Lanza and/or Ryan Lanza and/or Adam Lanza and/or the physical address: 36 Yogananda Street, Newtown, Connecticut 06470" and all information associated with the avatar and/or character "blarvink" within the game "World of Warcraft (WoW)" held by Blizzard Entertainment, Inc. for the time frame of January 1st, 2009 thru December 31st, 2012.

The Affidavit and Application was reviewed by State's Attorney Stephen J. Sedensky III and subsequently submitted to the Fairfield Judicial District located at 1061 Main Street in Bridgeport, Connecticut 06604. At 0950 hours, the Honorable Judge John F. Blawie signed the Search and Seizure Warrant.

At 1346 hours, this Detective executed the aforementioned Search and Seizure Warrant. The Search and Seizure Warrant was served via fax (949-725-0125) to the Custodian of Records for Blizzard Entertainment, Inc. located at 16215 Alton Parkway in Irvine, California 92618.

ACTION PENDING: Upon receipt of the information associated with the accounts listed above, this Detective will complete the Return For and Inventory Property Seized on Search and Seizure Warrant portion of the JD-CR-61, the Property Seized Under Search Warrant form (JD-CR-52), and return the entire Affidavit and Application / Search and Seizure Warrant to court.

and the folial establishing the collection and administration of the deligner of the deligners are the deligner

- 1. That the undersigned Affiants, Detective Christopher Allegro #950 and Detective John Kimball #877, are members of the Connecticut State Police, presently assigned to the Western District Major Crime Squad (WDMCS) and have approximately 28 years of combined law enforcement experience. Both Affiants have conducted numerous investigations of criminal activity including, but not limited to, murder, sexual assaults, kidnapping, robberies, narcotics violations, and assaults and have received specialized training in the processing of crime scenes and the collection of physical and trace evidence. The knowledge of the facts and circumstances contained hereinafter are the result of the Affiants' personal investigative efforts and observations, as well as those of other law enforcement officers acting in their official capacity, who related their findings to these Affiants.
- 2. On Friday Decamber 14th, 2012 at approximately 0935 hours, Newtown Police Department Dispatch received a 9-1-1 call from a caller at the Sandy Hook Elementary School located at 12 Dickinson Drive in Newtown, Connecticut. The caller reported that an active shooting situation was occurring at the Sandy Hook Elementary School.
- 3. As a result of the 9-1-1 call, numerous law enforcement personnel, including members from the Newtown Police Department and the Connecticut State Police, responded to the Sandy Hook Elementary School in Newtown. Upon arrival, law enforcement personnel conducted a search of the interior and exterior of the school. Investigators located Connecticut registration 872YEO, a 2010 black-colored Honda Civic, unoccupied and parked near the fire lane directly in front of the school. The registered owner for the Honda Civic is Nancy Lanza, year of birth 1960, of 36 Yogananda Street in Newtown, Connecticut.
- 4. As investigators entered the school, numerous children and school personnel were located deceased within the school. Investigators also located a white male dressed in military style clothing, lying deceased on the floor in room 10. The deceased male was in possession of several firearms. The deceased male has been positively identified as Adam Lanza, year of birth 1992, hereinafter referred to as "the shooter", who resided at 36 Yogananda Street in Newtown, Connecticut.
- 5. Law enforcement personnel, including members of the Connecticut State Police Emergency Service Unit, responded to the residence of Nancy Lanza at 36 Yogananda Street in Newtown, Connecticut. Upon arrival at Lanza's residence, members of the Connecticut State Police Emergency Service Unit gained entry into the house and located a deceased middle-aged white female lying on a bed in the 2<sup>nd</sup> floor master bedroom. The white female sustained an apparent gunshot wound to her forehead. The deceased female was positively identified as Nancy Lanza, year of birth 1960.
- 6. On Thursday December 14th, 2012, law enforcement agents interviewed a witness who knew Adam Lanza and stated the he rarely left his home and considered him to be a shut-in. The witness also stated that "the shooter" has a gun safe containing at least four guns. The witness also stated that "the shooter" had attended the Sandy Hook Elementary School.
- 7. On Thursday December 14th, 2012 a Search and Seizure Warrant (Mincey) was applied for and granted for the residence located at 36 Yogananda Street in Newtown, Connecticut. The Search and Seizure Warrant was authorized by the Honorable John F. Blawie.
- 8. During the execution of the Search and Seizure Warrant at the Lanza residence (36 Yogananda Street),

investigators seized various items of evidentiary value. Among these items were personal computers and electronic equipment that would provide the user with a means of communication via the Internet. "The shooter" resided at this address with his mother (Nancy Lanza) and would have had access to all the aforementioned items.

- 9. Through investigative efforts conducted by other law enforcement officers including but not limited to detailed interviews with relatives of "the shooter" and the comprehensive review of items of evidentiary value, these Affiants learned that "the shooter" played the online game, "World of Warcraft (WoW)", and that the relatives had paid for the subscription. Also, that one of the computer hard drives located within the Lanza residence (36 Yogananda Street) contained an electronic folder labeled "videos". Within this folder were three (3) video files of recorded game play of World of Warcraft (WoW). These files were named: "blarvink", "gnome", and "gnomecompressed".
- 10. An Internet search for World of Warcraft (WoW) revealed it to be a "Massively Multiplayer Online Role-Playing Game (MMORPG)" hosted by Blizzard Entertainment, Inc. located at 16215 Alton Parkway in Irvine, California 92618. With over 7 million subscribers as of July 2013, World of Warcraft is currently the world's most-subscribed MMORPG and holds the Guinness World Record for the most popular MMORPG by subscribers. Additionally, in World of Warcraft the user controls an avatar (usually a pseudonym), which is the graphical representation of the user or the user's alter ego or character within the game. World of Warcraft also requires the user to pay for a subscription, either by buying prepaid game cards for selected amount of playing time, or by using a credit or debit card to pay on a regular basis.
- 11. Further review of the aforementioned videos, revealed an online gaming account / character with the associated avatar, "blarvink". In this case, it appears that blarvink was the sole avatar utilized when logging on / playing World of Warcraft (WoW) from this computer.
- 12. World of Warcraft supports gaming community features such as Guilds, Internet Relay Chat (IRC), and an ingame Friends List / Real ID Friends List. Guilds are generally a group of gamers who play together as a team against other guilds. They are most commonly found in online multi-player games in which one team can face off against another. Guilds can also be formed to create loosely based affiliations perhaps by all being fans of the same game or merely gamers who have close personal ties to each other. Guilds normally host servers with rules that they like. For instance, if a group of gamers like to use magical spells only, they could join a guild that runs a spells only server and the guild would enforce the rules. So, it is important to join a guild that has server rules you enjoy or you could easily find yourself removed from the guild.
- 13. The definition of internet Relay Chat (IRC) is a protocol for live interactive Internet text messaging (chat) or synchronous conferencing. It is mainly designed for group communication in discussion forums, called channels but also allows one-to-one communication via private message as well as chat and data transfer including file sharing. World of Warcraft affords its users the following four (4) means of IRC from which to communicate while gaming: "Chat Channels", "Custom Channel (user created for privacy)", "Voice Chat", and "Other Chat". Not to mention, various public blogging forums and game-related discussion boards.
- 14. Based on the Affiants' training and experience, a perpetrator(s), or persons knowing the victim(s), may have communicated by way of Internet Relay Chat (IRC) while participating in virtual communities, including but not limited to Internet-based MMORPG games. Also, any co-conspirators in the planning, execution, and/or cover up of a particular crime may have communicated by way of IRC. Additionally, persons who communicate or attempt to communicate in this manner may have knowledge or valuable information leading to the

identification of a perpetrator(s), and/or potential witness(s) of the crime.

- 15. The Affiants have personal knowledge that the "game server" or host of World of Warcraft is Blizzard Entertainment, Inc., 16215 Alton Parkway, Irvine, California 92618.
- 16. Based upon the facts and circumstances described above, the Affiants have probable cause to believe that Blizzard Entertainment, Inc., Custodian of Records, 16215 Alton Parkway, Irvine, California 92618 has in its possession account information associated with the following individuals: Peter Lanza and/or Nancy Lanza and/or Ryan Lanza and/or Adam Lanza and/or the physical address: 36 Yogananda Street, Newtown, Connecticut 06470, which will contain evidence relating to the crime of Murder, in violation of Connecticut General Statute (C.G.S. 53a-54c).
- 17. Therefore, your Affiants are respectfully requesting a Search and Seizure warrant be issued for Blizzard Entertainment, Inc., Custodian of Records, 16215 Alton Parkway, Irvine, California 92618 for any information associated with the following accounts and/or individuals: Peter Lanza and/or Nancy Lanza and/ or Ryan Lanza and/or Adam Lanza and/or the physical address: 36 Yogananda Street, Newtown, Connecticut 06470: All information associated with the avatar and/or character, "blarvink", within the game "World of Warcraft (WoW)"; All subscriber information, including full name(s), physical address(es), account identifier(s), email address(es), and telephone number(s); Account status, alternative email addresses provided during registration; All transaction or connectivity logs, including records of session times, dates, durations, and assigned IP addresses; Length of service (including start date) and types of service utilized; All means and source of payment for such service (including any credit card or bank account number); All content associated with chat communications, including but not limited to "Chat Channels", "Custom Channel (user created for privacy)", "Voice Chat", and "Other Chat", between "foliarvink" and other avatar and/or character accounts within "World of Warcraft (WoW)"; All records or other information stored at any time by an individual using the accounts, including address books, contact, friends, and buddy lists, calendar data, pictures, and files; All records pertaining to communications between Blizzard Entertainment, Inc. and any person regarding the account, including contacts with support services and records of actions taken; other records identifying any individuals who owned, used, or accessed the aforementioned accounts, including but not limited to account opening records, subscriber contact information, account access logs, and email header information for the period of January 1st, 2009 through December 31st, 2012.
- 18. Both California law, under the California Penal code Sec. 1524.2, and federal law, under 18 U.S.C. 2703, provide authority for out-of-state search warrants of providers of electronic communication services or remote computing services.
