And the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the undersigned Affiants, Detective Christopher Allegro #950 and Detective John Kimball #877, are members of the Connecticut State Police, presently assigned to the Western District Major Crime Squad (WDMCS) and have approximately 28 years of combined law enforcement experience. Both Affiants have conducted numerous investigations of criminal activity including, but not limited to, murder, sexual assaults, kidnapping, robberies, narcotics violations, and assaults and have received specialized training in the processing of crime scenes and the collection of physical and trace evidence. The knowledge of the facts and circumstances contained hereinafter are the result of the Affiants' personal investigative efforts and observations, as well as those of other law enforcement officers acting in their official capacity, who related their findings to these Affiants.
2. On Friday December 14th, 2012, at approximately 0935 hours, Newtown Police Department Dispatch received a 9-1-1 call from a caller at the Sandy Hook Elementary School located at 12 Dickinson Drive in Newtown, Connecticut. The caller reported that an active shooting situation was occurring at the Sandy Hook Elementary School.
3. As a result of the 9-1-1 call, numerous law enforcement personnel, including members from the Newtown Police Department and the Connecticut State Police, responded to the Sandy Hook Elementary School in Newtown. Upon arrival, law enforcement personnel conducted a search of the interior and exterior of the school. Investigators located Connecticut registration 872YEO, a 2010 black-colored Honda Civic, unoccupied and parked near the fire lane directly in front of the school. The registered owner for the Honda Civic is Nancy Lanza, year of birth - 1960, of 36 Yogananda Street in Newtown, Connecticut.
4. As investigators entered the school, numerous children and school personnel were located deceased within the school. Investigators also located a white male dressed in military style clothing, lying deceased on the floor in room 10. The deceased male was in possession of several firearms. The deceased male has been positively identified as Adam Lanza, year of birth - 1992, hereinafter referred to as "the shooter", who resided at 36 Yogananda Street in Newtown, Connecticut.
5. Law enforcement personnel, including members of the Connecticut State Police - Emergency Service Unit, responded to the residence of Nancy Lanza at 36 Yogananda Street in Newtown, Connecticut. Upon arrival at Lanza's residence, members of the Connecticut State Police - Emergency Service Unit gained entry into the house and located a deceased middle-aged white female lying on a bed in the 2nd floor master bedroom. The white female sustained an apparent gunshot wound to her forehead. The deceased female was positively identified as Nancy Lanza, year of birth - 1960.
6. On Thursday December 14th, 2012, law enforcement agents interviewed a witness who knew Adam Lanza and stated the he rarely left his home and considered him to be a shut-in. The witness also stated that "the shooter" has a gun safe containing at least four guns. The witness also stated that "the shooter" had attended the Sandy Hook Elementary School.
7. On Thursday December 14th, 2012, a Search and Seizure Warrant (Mincey) was applied for and granted for the residence located at 36 Yogananda Street in Newtown, Connecticut. The Search and Seizure Warrant was authorized by the Honorable John F. Blawie.
8. During the execution of the Search and Seizure Warrant at the Lanza residence (36 Yogananda Street), investigators seized various items of evidentiary value. Among these items were personal computers and electronic equipment that would provide the user with a means of communication via the Internet. "The shooter" resided at this address with his mother (Nancy Lanza) and would have had access to all the aforementioned items.
9. Through investigative efforts conducted by other law enforcement officers including a comprehensive review of

seized items of evidentiary value, these Affiants learned that one of the computer hard drives located within the Lanza residence (36 Yogananda Street) contained an electronic folder labeled "Combat Arms Screenshots". Within this folder were one-hundred seventy-two (172) digital "screenshots" or images taken while playing the video game, "Combat Arms".

10. An Internet search of Combat Arms revealed it to be a multiplayer, free-to-play, modern, first-person shooter (FPS) game "served" or hosted by Nexon America, Inc. located at 222 N. Sepulveda Boulevard, Suite 300, in El Segundo, California 90245.
11. Further review of the aforementioned screenshots, revealed an online gaming account / character with the associated gamer tag, "KAYNBRED". A gamer tag is a name (usually a pseudonym) adopted by a video gamer and used as the individual's preferred identification method within the gaming community. In this case, it appears that KAYNBRED was the sole gamer tag utilized when logging on / playing Combat Arms from this computer.
12. On Tuesday August 27th, 2013, a Search and Seizure Warrant was applied for and granted for Nexon America, Inc. for any information associated with the account: "KAYNBRED". The Search and Seizure Warrant was authorized by the Honorable John F. Blawie and executed that same day.
13. On Friday September 6th, 2013, these Affiants received the results of the Search and Seizure Warrant executed for Nexon America, Inc. After a comprehensive review of said results, these Affiants identified the "user email" address: kaynbred@gmail.com, contained within "the shooter's" "Nexon User Profile".
14. Based on the Affiants' training and experience, a perpetrator(s), or persons knowing the victim(s), may have communicated by way of email. Also, any co-conspirators in the planning, execution, and/or cover up of a particular crime may have communicated by way of email. Additionally, persons who communicate or attempt to communicate in this manner may have knowledge or valuable information leading to the identification of a perpetrator(s), and/or potential witness(s) of the crime.
15. The Affiants have personal knowledge that the host, server, or domain segment of the target email address, which is the "gmail.com" in kaynbred@gmail.com, denotes that the email service provider is **Google, Inc.**
16. Based upon the facts and circumstances described above, the Affiants have probable cause to believe that **Google, Inc. - Custodian of Records, 1600 Amphitheatre Parkway, Mountain View, California 94043** has in its possession account information and records associated with the email address: kaynbred@gmail.com, which will contain evidence relating to the crime of Murder, in violation of Connecticut General Statute (C.G.S. 53a-54c).
17. Therefore, your Affiants are respectfully requesting a Search and Seizure warrant be issued for **Google, Inc. - Custodian of Records, 1600 Amphitheatre Parkway, Mountain View, California 94043**, for the contents of all emails associated with kaynbred@gmail.com, including stored or preserved copies of emails sent to and from the accounts, draft emails, the source and destination addresses associated with each email, the date and time at which each email was sent, and the size and length of each email ; All records or other information regarding the identification of the accounts, to include full name, physical address, telephone numbers and other identifiers, records of session times and durations, the date on which the account was created, the length of service, the types of service utilized, the IP address used to register the account, login IP addresses associated with session times and dates, account status, alternative email addresses provided during registration, methods of connecting, log files, and means and source of payment (including any credit or bank account number) ; All records or other information stored at any time by an individual using the accounts, including address books, contact and buddy lists, calendar date, pictures, and files ; All records pertaining to communications between the Internet Service Provider (**Google, Inc.**) and any person regarding the account, including contacts with support services and records of actions taken ; All email messages or other records identifying any individuals who owned, used, or accessed the aforementioned accounts, including but not
