"On 12/14/2012 I was going to Sandy Hook Elementary School to help make gingerbread houses in (04) class. I was due at the school at about 0945 in the morning. When I arrived at the school, I noticed five children running down the street near the stop sign before you pull into the school. I thought that the school was conducting a drill, it did not really register that something was wrong. I pulled up and parked my vehicle in the third row of parking spaces. At this point I think I heard banging metal sounds, and I thought it was construction noise coming from the building. As I approached the entrance to the school, I noticed a black Honda parked in front of the school with its passenger side door open, and it looked like there were two black blankets on the ground near the car.

STATE OF CONNECTICUT, DEPARTMENT OF PUBLIC SAFETY-
INVESTIGATION REPORT (DPS-302-E) (REVISED 2/3/06)

As I walked toward the door I stepped on what I thought was rock salt on the sidewalk, then I saw the broken glass window next to the entrance doors. I saw a bullet hole in the glass, and then I realized there was a something bad going on and I needed to get away from the front of the school. As I was turning away from the school, I noticed another woman walking toward the school. At this time I heard sirens in the distance. We both heard what I now know was gunfire, and we ran to the right side of the dumpsters to hide. Police officers arrived and we identified ourselves to them. I called my husband on my cell phone to tell him what was going on. I called my husband at 9:42 am on my cell phone. One Newtown Police officer and one State Police Officer came over to protect us. I was behind the dumpster for about an hour because the last call made on my phone before I left from behind the dumpsters was made at 10:21 am. This is all I can remember right now." END OF STATEMENT.

In addition to the information contained in the statement, [REDACTED] 04 also provided the following information verbally:

[REDACTED] 04 stated that she arrived at the school early for her 0945 appointment. [REDACTED] 04 said she knows this because her call to her husband at 9:42AM was placed when she was behind the dumpsters after running from the front of the school. [REDACTED] 04 also added that the front door to the school was locked. [REDACTED] 04 said that the banging noises she initially heard stopped, and then started again. [REDACTED] 04 was not able to recall how many gunshots she heard.

CASE STATUS: CLOSED.
