Second Interview Statement of **04**

Date and Time of Investigation: On January 10, 2013 between the hours of 1015 and 1025 hours.

ACTION TAKEN: On 01/10/13 at approximately 1015 and 1025 hours, myself and Detective Mudry #824 conducted a second interview with **04** and obtained a sworn statement of such interview. The purpose of the interview was to obtain information from **04** as to whether or not she activated the PA system in Sandy Hook Elementary School the day of the shooting.

04 stated that upon hearing rapid fire gun shots, she reached out to the wall telephone and left the receiver dangling along the wall. **04** stated that in order to get an outside line, you have to dial 9, then 8 and wait for a dial tone. Upon getting a dial tone, you then dial 9 and wait for another dial tone. Upon hearing a second dial tone, you can then dial out of the school. **04** stated that she remembered completing the first step of dialing 9, then 8 and hearing a dial tone. **04** stated that she thought she dialed 9 again but remembers that she did not hear a dial tone and therefore she may have hit the number 0 to activate the PA system. **04** stated that if she did so, she did so by accident as she does not know how to operate the PA system in the school.
