WITNESS INTERVIEW REPORT: [REDACTED] 04

On July 18th, 2013, from approximately 1006 hours to 1038 hours, Detective Peters and I met with witness, [REDACTED] 04, within the Chalk Hill School principal's office. Here, [REDACTED] 04 provided in a typed and sworn written statement the following: "I voluntarily met with State Police Detectives Peters and Mudry within Chalk Hill School.

On December 14th, 2012, at approximately 12:30 pm, my husband drove me to the center of Sandy Hook. At this point, I walked to the Firehouse because of the traffic. Here, I briefly spoke with Superintendent Robinson, of which I don't remember the content of the conversation. At approximately 1:15 pm a State Trooper approached me, unknown name - late 50's early 60's, balding, dark hair on side, approximately 5'5", and asked if I would accompany him within the school to help with the investigation. Once I was inside the school, the Trooper asked if I had pictures for the students and teachers of Roig, Soto and D'amato's classrooms. I replied that I had access to pictures which were retained on a CD disk within my desk. I obtained the CD and used the Principal's office because she had a color printer. I printed out the pictures of the teachers and students within the mentioned three classrooms. At this point, an Officer approached me, unknown name - young, athletic, slender, 5'9 or 5'10", dressed in a suit, and he was assisting me in looking at the pictures and writing their names down on a piece of paper. I wanted to make sure that I had the names with the pictures right so the Officer requested that I pull the student's cumulative files. Once I was confident the names to pictures were complete, the Officer kept the cumulative files and I believe they were taken to Litchfield. A short time later, copies of the cumulative files were made by Litchfield Officers and delivered to Sandy Hook School employee's at the Chalk Hill."
