for the Newtown, CT school system.

Details:

At 9:40 AM on 14 December 2012, initial call-in to Newtown emergency services (911) was received from Sandy Hook Elementary School in Newtown, Connecticut, that shots had been fired within the school. The gunman, Adam P. Lanza, (DOB:04/22/1992) shot out the windows at the front of the elementary school in order to gain access. Two law enforcement officers arrived during the shooting, at which time the suspect ducked into a classroom and shot himself. The shooter attended the school as a child, but no other relationship between Adam P. Lanza and Sandy Hook Elementary School has been established. There were a total of 28 dead, 20 children and 8 adults (seven at the school, including the gunman, and his mother at their 36 Yogananda Street residence).

ADAM was diagnosed with Ashberger's Syndrome, a form of autism, in approximately the 8th grade. He left high school in either the 9th or 10th grade, and essentially became a "recluse", shutting himself in his bedroom, playing video games all day. He attended a few courses at Western Connecticut State University, but never attended full time.

[Redacted]

[Redacted]

[Redacted] stated that ADAM has no friends, no associates, no girlfriend, but is very "computer savvy", and spends most of his time on his computer. At some point ADAM worked briefly at a computer repair shop in Newtown, but never held any other job, including summer work while still in school.

[Redacted] ADAM became very interested in firearms, and at one point considered joining the military. ADAM enjoyed target shooting.

[Redacted]

[Redacted] ADAM and NANCY owned at least four guns; a black AR-15 semi-automatic

.223 rifle, a Lee Enfield .308 rifle, a "semi-automatic" shotgun and a .45cal pistol. [REDACTED] believed all the weapons had been legally purchased by NANCY, and were registered in her name, but that ADAM actually owned the AR-15, and that all the weapons were kept in a gun safe in ADAM's bedroom closet.

[REDACTED] advised that ADAM had taken an NRA safety certification course that allowed him to fire the .45cal pistol at the Danbury range, and that to his knowledge ADAM was able to purchase all his ammunition legally.

[REDACTED] advised that ADAM and NANCY had a "close relationship", and as he had no outside friends, she became the only person ADAM would talk to. Although ADAM spent the majority of his time playing video games, they were non-violent games. His favorite was Super Mario Brothers. Although he often became frustrated at not being able to "express himself", ADAM never became violent. He never used drugs or alcohol, and actually "hated the thought of it". [REDACTED] could provide no explanation or motive for ADAM's actions.

occurred earlier today. NANCY LANZA would donate clothing to the shelters and refurbish children's bicycles for donation. [redacted] does not know the nature of the volunteer work that NANCY LANZA performed at SANDY HOOK ELEMENTARY SCHOOL and does not think that NANCY LANZA has volunteered there in a long time.

NANCY LANZA attended primary grades in the public schools of Kingston, NH. [redacted]

[redacted]

NANCY LANZA [redacted] had two children while residing in NH: [redacted] and ADAM LANZA, DOB: April 22, 1992, 20 years old.

advised that ADAM is "not comfortable interacting with people" and was diagnosed with Asperger's Syndrome, a form of autism. [redacted]

[redacted] ADAM LANZA was in Special Education classes when he

attended school in Sandy Hook, CT. When ADAM LANZA reached puberty, NANCY LANZA took ADAM out of school "because she was nervous about him". ADAM took some classes at the public high school and was a member of the high school Tech Club. ADAM took some college courses (possibly at University of Connecticut?) and NANCY had to drop him off there because ADAM didn't drive. ADAM was always very mature and he did not like school because he thought all of the other kids were immature. NANCY LANZA was extremely private about her son, ADAM, and did not like to talk with family about ADAM's "issues". But NANCY LANZA knew since the time that ADAM was little that he had "issues".

[REDACTED]

[REDACTED] NANCY LANZA told [REDACTED] that ADAM was initially diagnosed with autism but later with Asperger's. [REDACTED] believes that NANCY LANZA was finally able to talk about ADAM over the last couple of years because she had less concern about him now. [REDACTED] stated that NANCY LANZA had ADAM in mental health counseling but that NANCY never discussed having ADAM on any type of medication.

ADAM LANZA is a vegan after previously being a vegetarian. ADAM is extremely smart. A couple of summers ago, ADAM had a job building computers for some guy. ADAM spent a lot of time on his computer but [REDACTED] does not think he was a "gamer". ADAM had no real friends. ADAM did not communicate [REDACTED] via e-mail or Facebook.

[REDACTED]

[REDACTED]

However, NANCY LANZA had expressed concern about her son, ADAM, to [REDACTED] in the last couple of years, and as recently as two weeks ago [REDACTED]

[REDACTED] NANCY LANZA told [REDACTED] that she was very worried about what would happen to ADAM if anything ever happened to her. NANCY LANZA told [REDACTED] that ADAM was

"doing better" but had gotten "weirded out" by Hurricane Sandy which hit the Northeast coast in late October 2012, and that she had to stay in her house with ADAM for several days without electricity because ADAM refused to leave and go to a hotel, and she would not leave him alone. [Redacted] stated that she asked NANCY LANZ if she had made any arrangements for ADAM's care in the event that something happened to her [Redacted]

[Redacted]

[Redacted]

To [Redacted]'s knowledge, ADAM had a good relationship with his mother, NANCY. NANCY was extremely protective of ADAM. NANCY never expressed any concerns about ADAM being violent in any way. NANCY was not afraid of ADAM, but was afraid for him.

[Redacted]

NANCY LANZA told [Redacted] that ADAM had begun driving lately. ADAM had previously not wanted to get a driver's license. NANCY also told [Redacted] that ADAM has been taking private classes in Mandarin Chinese with a professor, as well as saxophone lessons, over the last couple of years.

[Redacted]

[redacted]

[redacted]

[redacted]

[redacted] has never known ADAM to have a girlfriend or any friends at all.

[redacted]

[redacted] advised that NANCY LANZA often took [redacted] ADAM, target shooting at a local range in CT. NANCY thought it was good for them to learn the responsibility of guns. NANCY LANZA owned several guns and had licenses for them.

[redacted]

[redacted]

[redacted] last saw ADAM LANZA eight years ago.

At the conclusion of the interview, SA [redacted] was notified by SSRA [redacted] that, per FBI-New Haven Command Post, NANCY LANZA had been officially identified as a deceased victim of today's mass shootings, and was shot in her home.

FOLLOW-UP INTERVIEW OF [redacted] ON DECEMBER 15, 2012:

[redacted] advised that ADAM LANZA attended the SANDY HOOK ELEMENTARY SCHOOL where yesterday's shootings occurred. [redacted] recalled that it was ADAM's first school and that he had some kind of a problem in fourth grade. When ADAM was in middle school grades and had to change classrooms, he couldn't handle it. NANCY LANZA removed him from the public school and enrolled him in a small Catholic school for one year. ADAM did not do well there either and NANCY LANZA home-schooled him after that.

[redacted] advised that NANCY LANZA told her that ADAM had no emotions or feelings; and that ADAM didn't care about birthdays or holidays and thought they were stupid. [redacted] recalled that NANCY LANZA had to get rid of a cat because ADAM was freaked out by it and couldn't handle it.

[redacted] NANCY LANZA told her that her son, ADAM LANZA, had not left his bedroom in three months, and that despite the fact that NANCY and ADAM lived in the same house, NANCY has only been able to communicate with ADAM by e-mail. NANCY LANZA told [redacted] that ADAM had been freaked out by Hurricane Sandy in late October 2012. [redacted] told [redacted] that she had asked NANCY if she was afraid of ADAM and that NANCY had said no. [redacted] told [redacted] that she had urged NANCY LANZA to take some action regarding ADAM. [redacted] told [redacted] that NANCY talked about a plan to relocate with ADAM because ADAM wanted to go back to school. [redacted] advised that NANCY was looking into moving to Washington State or North Carolina. [redacted] told [redacted] that NANCY LANZA had discussed these moving plans with ADAM.
