WITNESS INTERVIEW REPORT: 04

On September 19th, 2013, from approximately 0940 hours to 0952 hours, Det. Downs and I met with witness, 04, within 04 and obtained a written statement. Within the office conference room, 04 stated verbally and later in a sworn written statement that during the 04 school year, the shooter was a member of her reading, writing and social studies class. 04 describes the shooter as being a very quiet boy who didn't stand out from others as neither an exceptional student nor a behavioral problem. The shooter always completed his work on time and never disrupted the lessons or activities around him. 04 cannot remember anything that struck her as odd regarding the shooter. Furthermore, 04 has no recollection of the shooter being bullied or teased by other students (See attached copy of statement for details.)
