Dear Dr. Fox,

Kathy Koenig will be contacting you at some point to discuss Adam. She is a clinician at Yale and has background in Asperger in teens. Adam's father felt it was important to get Adam into that group and possibly (and eventually) get Adam into a teen support group over there. Whatever her suggestions are, I would like your thoughts on. You have spent the most time with Adam, and have the best understanding of his situation. The Yale group and Adam's father are concerned about Adam's socialization and that is something I hadn't really focused on. I have been more concerned with keeping him as comfortable as possible and just getting through each day. Although there will be quite a few people involved in this process (Yale-Mike Ridley-Sherry Earle), I really hope that you can take the lead role. Once everyone has had some input, I was wondering if I could have an appointment with you to discuss what makes sense for Adam's IEP.

I will be talking to Sherry Earle today about modifying the history. I will give her your number so that she can contact you with any questions.

Did you get a copy of the initial evaluation from Yale?

Thanks for all your help!
Nancy
