Translator: She says nevermind.

Dora the Beserker: Oh...But...I like hurting people...Especially children...

Snitch: I'm telling the police! (He runs away).

Sergeant Boberlina Boberson: Let's push people over-board so the survivors can have more food.

Old Timer: Wake up! It's the British!

Lazy: AAH!

Old Fatty: Say, would you all like to go to that brand new Chinese restaurant in the Restaurant Mini-Mall?

Granny: AAARQU!

Old Fatty: I...I beg your pardon! I am certainly not addicted to food! I have never been overweight and never will! You and your little son of yours put together are 3 times heavier than I am! So go fly around the room or whatever you do!

Lazy: You're just jealous because you can't fly!...(Snore)...

Old Fatty: Oh! Of all the nerve! You are just jealous because you can't fly, *and* you are lazy!

Granny's Son: Hey, Teleblubbie! Get your fat off the table!

Old Timer: Get out before New Years, you talking blubber flubber!

Old Fatty: Fine! Good day! (Old Fatty slides away on her fat).

Granny's Son: Granny! Get that thing's excess fat off of the carpet before it stains!

Granny: AAARQU!

Old Timer: Great idea, Granbert. We could go to that Chinese restaurant and get some brunch, but what about the others in our Granny Gang?

Granny's Son: Granny! The fat is starting to come alive! It's crawling towards me!

Granny: AAARQU!

Old Timer: Yes, now that they are retired, they only waste their lives away, waiting for things like this.

Granny's Son: Granny! Listen to me! Go get the baker to bake this fat to a healthy condition!

Old Timer: But how will we reach them? They're across town.

Granny: AAARQU!

Old Timer: Oh, yes! The neighbor's car.

Granny's Son: It's gnawing on my leg! Get some help!

Old Timer: Let's go. Bring Lazy.

Granny's Son: No! Come back! It's chewing its way through the walls!

Granny: AAARQU! Bye!

Granny's Son: Get back here so I can hurt you!

Old Timer: The neighbors lost the car again. They should clean more often. What do we do now, Granny? (A car pulls over).

Dora the Beserker: Hey, Granny! Need a ride? I found this car in the lost and found. You must be pretty stupid to lose a car!

Old Timer: Especially an 18 wheeler like this! We'll come with you!

Dora the Beserker: I'm headed for the daycare center. I'll bring you to where you want after. Hop in.

Granny: AAARQU!

Dora the Beserker: That monkey? I picked it up at the dime store. I call it Shoes.

Shoes: Ooh, ooh, ahh, ahh! I looove bananas!

Dora the Beserker: I haven't found the off button yet. Hey, Swiper! Did you get the you-know-what for the you-know-what? Answer in Espanol!

Swiper the Racoon: Ci.

Old Timer: See what?

Swiper the Racoon: See me!

Old Timer: AAH! A racoon with a foaming mouth!...Could I keep it, Shortie?

Dora the Beserker: No!...Now, Swiper. You give me the 'thing', and run in. You be the distraction. Then, I'll run in...We're here. Go! (Swiper runs into the daycare center).

Bobby: Cute...

Swiper the Racoon: Follow me to the front of the room, children!

Junior: Okay...

Swiper the Raccoon: Now!
Dora the Beserker: Let's hurt children!
Mary: Oh no. We be doomed...
Old Timer: Hey, can we have the car?
Swiper the Raccoon: Sure, we don't need it anymore.

Granny: AAARQU!
Old Timer: What did you say?...Oh man! They left the stupid monkey!

Shoes: Ooh, ooh, ahh, ahh! I like bananas!
Granny: AAARQU!
Old Timer: Yes! We're finally at Oldmolds's house!
Shoes: Let's eat bananas!
Oldmold: Hey, you whipper-snappers! What you doing?...Oh! It's
Granny, Old Timer, Lazy, and Boo-
Shoes: Don't say it because of those legal documents!
Oldmold: Eh, don't eat a frog in a bag!
Old Timer: That isn't even a figure of speech!
Oldmold: You're right. It's a figure of breach!
Shoes: Not the Navy!
Old Timer: So, do you want to go to the Mini-Mall with us?
Shoes: No.
Oldmold: Sure! Don't crave a grave!
Shoes: You're crazy!
Crazy: No, I am!
Old Timer: Okay. Let's go now.

Shoes: Go away, you old, senile man covered in mold!
Oldmold: What did I do?...Oh, okeh...
Granny: AAARQU!
Lazy: ...What was that?...*(Snore)*...
Old Timer: You're right! It's Dog! Let's get him!
Dog: Hey, Cow! You quit too? I just couldn't take the torment any longer. I mean, have you seen that thing? You should see *Granny's* Granny. It looks like-AHH! She's here!
Cow: GRANNY IS IN THE MALL! ALL CUSTOMERS EVACUATE IMMEDIATELY! *(Sirens go on)*.
Shoes: Why is everyone leaving?
Oldmold: Is there something on your face, Granny?
Shoes: Didn't I tell you to leave?
Oldmold: Oh. Bye.

Old Fatty: Hello, Granny.

Granny: AAARQU! Hello!

Old Fatty: I brought some friends to help me prove my point. Pay no attention to the pillows clenched in their fists with your faces on them, even though they are pummeling them senselessly. Meet Puff Fatty & Fatt Matt. Now who is the fat one?

Shoes: You are!

Old Fatty: No, fool! Granny is!

Retard the Bard: Oh, The fat one meets the Granny and they have a war with words, like two dumb, tiny, blind birds. The Lazy one knows not what to do, for it is lazy and cannot mooove!

Shoes: That was the worst song that I ever heard!

Old Timer: That's worse than Rappa Frank's music!

Rappa Frank: Thank you very much, for some rust! I like to scream, I seem to eat a bean! I need to rap, then like Lazy, take a nap! All day long, I sing this song, and-

Shoes: Making rap music, will starve before long (Rim shot)! You two get out of here!

Retard the Bard: And in the cartoon you were so nice...

Rappa Frank: He even had lice! Yo...Yo...Even mice!

Granny: AAARQU!

Old Fatty: You're sorry? Good!

Old Timer: No, she said that you were the last person to see on Earth because of your rudeness.

Shoes: AHH! The fat is coming alive! It's eating me! *Abluhblubbla!* I'm drowning!

Lazy: ...Duh...Ahh! Let's get out of here! The fat is expanding! It's pushing out the walls! Once I finish my 14th nap of the day, let's go...

Puff Fatty: Get away from me, atomic fat!

Fatt Matt: Help!

Old Fatty: It's growing! Help! My smallest arteries are four inches in circumference now!

Granny: AAARQU!

Old Timer: Good idea! We can burn all the fat and sell it saying it's from McDonaldz!

Puff Fatty: That's as close to a law-suit as I've ever seen!

Fatt Matt Good thing we aren't national!

Old Fatty: No! My fat is too healthy for McDonaldz. We have to say it's from the Dutchess!

Old Timer: That's a better idea. Bye, Old Fatty!

Old Fatty: Bye-Bye! Have a nice day. I'll see you soon!...THE PAIN!

Old Timer: This thing will burn for weeks because of all the grease...Let's leave it for the buzzards!

Granny: AAARQU! Okeh!

Rappa Frank: Buzz da buzzard, yo!

Shoes: Rappers...

Dora Beserker: Okeh! We're about to start the show!

Granny's Son: I thought that you hated all children! Why are you teaching them!?

Dora the Beserker: I'm not teaching them. I'm telling them to do stupid things. They will want to go to the 'live performances', which are all around the country. They can't tell what shows are good or bad. They will sing thoses idiotic things all day, and their parents will get sick of it, and let them go to the performances all alone. Then, I have an early Christmas treat, a treat that made me wanted in 49 states.

Granny's Son: What about the 50th!?

Dora the Beserker: No one lives in Wyoming.

Granny's Son: Oh!

Director Dan: You're on in 3...2...!

Silly Wabbit: No. I mean, tricks are for kids! Bye!

Compass: I'm the Compass! Yea!...To get to the Drunk, you have to go *through* the river and *through* the forest to get to the Drunk! Say it with me! River, forest, Drunk! River, forest, Drunk! Miscellaneous?

"Granny Learns to spell"

Granny's gonna learn how to write,
She's gonna write,
She's gonna write.
We are gonna teach her right,
Teach her right,
Teach her right.
Or else we'll give her bike a flat tire,
Bike a flat tire,

Bike a flat tire.

liif that doesn't work,

Doesn't work,

Doesn't work.

We will light her bike on fire,

Bike on fire,

Bike on fire.

So Granny better learn how to write,

Learn how to write,

Granny: Learn how to *write*.

~Granny throws her cane and does the Giraffe Dance.

~Granny rips off her dress and goes to the front of the line for the Granny Rap.

The importance of a sentence is the fact the we have the perennial ability to communicate amongst ourselves. Without sentences, the world would have billions of neandrathals even dumber than the gorillas in 2001: A Space Odyssey before the monolith was planted by the extra terrestrials. With sentences, we can

buy items from places, talk on our 1970's cellphone, and even read this right now!

~Breathes loudly and falls over.

~Granny holds the cane up using both hands, says, "I'll get you whipper-snappers someday," and makes a macaronic face.

Oh no! Granny's back!

~Brian & Dan G. run away.

~Granny throws her cane and trips over it when chasing Brian & Dan G.
